## Please be considerate...

All members and visitors are expected to behave respectfully towards others at the Club at all times. Please be considerate towards our neighbours too.

Please wait until a clear break in play before walking across the back of a court to reach your destination.

### **Footwear & clothing on court**

Flat-soled tennis shoes or trainers only to be worn on court. No heels or studs or ridges to be worn, as such soles damage the courts. All players to be dressed in appropriate sports attire eg: no jeans, and no shirtless play.

### **Look After the Courts**

After your game, please lower the net slightly to relax tension on the netposts. Please return the balls to the clubhouse. If you've played on an artificial grass court, please drag it with the large brushes after your game.

### **Look After the Clubhouse**

Members can make use of the clubhouse facilities but please leave the place tidy, and wash up after using anything from the kitchen.

## Tennis Balls

**Brand new balls** are used for all club team matches, club tournament events including the monthly Americans, and where necessary club social play sessions. New balls must be signed out.

Members may also buy new balls from the club - £3.50/tube of 4. Sales only through club committee members with exact amount in cash please.

**Lightly used balls** are for club social sessions, squad training sessions, and team match warm-ups. They may also be used for rounds before the Finals of the annual club tournament. If collected from behind the bar, they must be returned there after play.

**Clubs balls** are on the rack for all general and private play. Balls must be returned to the rack after play ends.
